

EDGEBOROUGH SCHOOL

Behaviour Policy Addendum

COVID-19

All members of the Edgeborough Community, including pupils, staff and parents should be guided by two main principles:

- First and foremost, everyone needs to obey the laws of the land
- Secondly, everyone should be guided by common sense at all times

In addition to these key elements, a member of Edgeborough should:

- Be honest, courteous and friendly to others
- Show respect for him/herself, for property and the environment
- Show commitment to learning both independently and as part of a team
- Contribute to the school positively and to the best of his/her ability
- Maintain a neat and tidy appearance

Finally we expect all members of the Edgeborough community to keep the following ethos statement (See Aims and Ethos Policy) at the forefront of their minds:

“Edgeborough is a place where children learn how to treat others the way they themselves would like to be treated, where they learn to give their best in spite of the difficulties they may encounter, where they learn to grow into well-mannered and balanced young men and women, where they learn to both work and play with a smile on their face.”

It is expected that the School will enjoy the full support of all parents in implementing its Code of Conduct.

In addition, pupils and staff should:

Respect the revised day to day expectations of the class ‘bubbles’ and wider school

- Pupils should adhere to the revised rules and expectations for entering and exiting the school buildings and site
- Pupils should stay in their designated classrooms unless directed otherwise
- Pupils should only interact with others in their bubble throughout the school day
- Pupils should be aware of social distancing measures
- Pupils should follow handwashing rules when directed to throughout the day

Be aware of, and follow, expected self-care, hygiene and health precautions

- Pupils should inform an adult if they have any COVID-19 symptoms (high temperature, new continuous cough, loss or change to sense of taste and smell)
- Pupils should use tissues when sneezing or coughing and dispose of the used tissue in a lidded bin. If there are no tissues, pupils should sneeze or cough into the crook of their elbow
- Pupils should use the toilet designated to their bubble and ensure they wash their hands thoroughly after use
- Pupils should only use their own resources and not touch or interfere with other pupils’ resources
- Pupils should only use their own water bottles and eat/drink their own food. No sharing of food/drink is allowed
- Pupils should not bring any additional items into school other than lunch boxes, water bottles, clothing, sun cream, laptop and charger (Year 6 only)
